

HOLLAND PACKAGING

PACKAGING AUTOMATION SPECIALISTS

Holland Packaging **Model PPL-120**

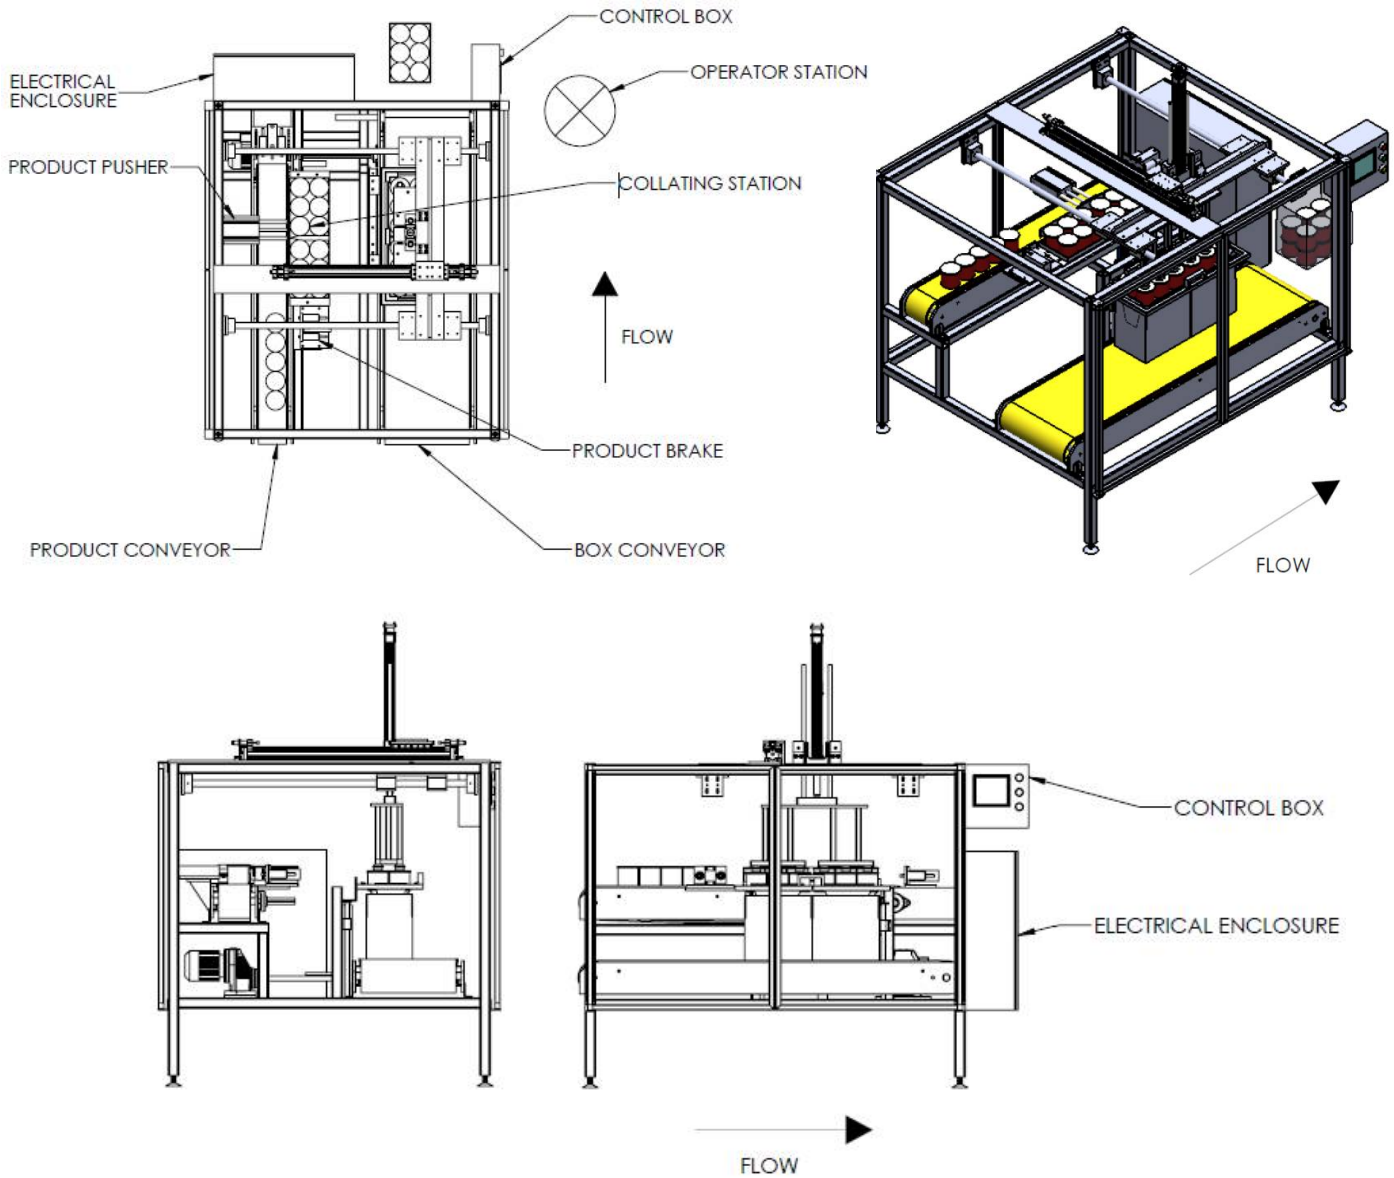

- ❖ Compact construction
- ❖ Fast Changeover
- ❖ Adjustable sizes and pack patterns
- ❖ 2 Axis Pick & Place Servo
- ❖ Allen Bradley PLC
- ❖ Multiple Floor Plan Configurations

Your Products - your solutions.

At Holland Packaging we realize that flexibility is nearly as important as function. Like all of our machines, the PPL-120 is designed not just for ultimate reliability, but total flexibility as well. Change products, pack patterns, and case sizes with minimal complication.
